

100/100 Campaign

DID YOU KNOW?

- Up to 60% of funds raised by typical fundraising campaigns goes to the fundraising company - NOT the school?
- Only 19% of OHJH participated in last year's fundraiser?

Let's keep 100% of the donations in our school and have 100% of students participating!

HOW TO PARTICIPATE

- Reach out to family and friends to help you fundraise! Checks should be made payable to OHJH PTO or they can visit OHJHPTO.square.site to donate online.
- Make sure to put the student's name and grade for student to get credit.

The grade with the most funds raised wins a grade level celebration during school hours!
